

## PLAN TO OBSERVE THE ANNIVERSARY OF ODD FELLOWS

Invitations Sent to Washing-  
ton Lodges of Order  
Accepted.

WASHINGTON TIMES BUREAU,  
ALEXANDRIA, VA., APRIL 15.  
The Odd Fellows of District No. 40,  
which comprises the three local lodges,  
Marion Encampment, No. 6, Potomac  
Lodge, No. 28, and Saratoga Lodge, No.  
48, and the Falls Church Lodge, are  
busily engaged in preparing for the  
celebration of the ninety-second anni-  
versary of the existence of the order,  
which will be observed here Friday,  
April 28. The program for the occasion  
has been assigned to a committee,  
which, it is expected, will make a full  
report of its plans next week.

An invitation has been extended to  
and accepted by the Washington lodges  
of the order, which comprise a distinct  
jurisdiction, to be on hand and partici-  
pated in the work.

At a meeting of Potomac Lodge, No.  
28, held in Odd Fellow's Hall last even-  
ing, the first degree of the order was  
conferred upon one candidate, one peti-  
tion for membership was received, and  
routine business transacted.

The late school census is becoming a  
matter of great concern to both the  
school board and the chamber of com-  
merce, showing as it did a decrease in  
public school attendance of 925 pupils.  
As the receipts from the State for the  
public school fund are based on this  
count for the period of the five ensuing  
years, this will cause a decrease of  
about \$14,000 from this source.

The authorities here are unable to ac-  
count for the unusual falling off in these  
figures, and are inclined to doubt their  
correctness. They have made request to  
State Superintendent Eggleston for a  
recount.

In yesterday's session of the corpora-  
tion court, the case of Harvey Davis  
against whom the grand jury lodged  
three indictments for several offenses,  
came up for consideration. Owing to  
the falling health of the prisoner, and  
upon his assent to a plea of guilty, only  
the charge of breaking into the store of  
Fairfax & Co., liquor dealers on King  
street, was pressed. A sentence of two  
months was imposed, with the under-  
standing that at the completion of that  
time he would agree to immediately  
leave the community, failing to do so  
the other charges are to be brought up  
against him.

Other cases disposed of were as fol-  
lows: Jesse Lee, colored, breaking into  
store, plea of guilty, sentenced to one  
year in the penitentiary; Norman Willis,  
colored, petit larceny, third offense, plea  
of guilty, sentenced to one year in the  
penitentiary; Frank S. Jeffries, burglar,  
plea of guilty to petit larceny, accepted,  
and sentenced to four months in  
jail. The jury returned a verdict of  
not guilty in the case of James Monroe,  
colored, accused of entering a store-  
house.

By a deed recorded in the office of the  
clerk of the corporation court this  
morning, John Pullman transferred the  
house and lot on the east side of Wash-  
ington street, south of Franklin street,  
to George Kirchner.

The Rev. George W. Luptrell, of West  
Virginia, the new pastor of Trinity  
Methodist Episcopal Church, arrived in  
this city yesterday afternoon, and im-  
mediately entered into his duties in the  
new field.

Special Easter music has been ar-  
ranged for practically all the local  
churches for tomorrow's services, both  
morning and evening. At St. Mary's  
Catholic Church the music will be given  
by the ladies of the parish, under the  
direction of J. M. Monroe, organist. Be-  
sides the morning and evening services  
at Grace Episcopal Church, at which  
the vested choir will be heard, a special  
baptismal service will be held at 3 p. m.

Owing to the inclement weather, the  
opening of the Cardinals' new ball park,  
which was scheduled for this afternoon,  
will be postponed until next week. The  
park is entirely completed, and is mod-  
ern in every particular. It is the first  
inclosed park ever erected in Alexan-  
dria. In the fall it will be utilized for  
football games.

Winifred, the four-months-old daugh-  
ter of W. H. and Elizabeth Gaskill, died  
at the family residence, 411 North West  
street, last evening. Funeral will be  
held from the home tomorrow afternoon  
at 2 o'clock.

The funeral of George J. Folts, an old  
and well-known printer, who formerly  
worked on Washington newspapers, and  
who died at Staunton, Va., Thursday,  
will be held from his residence, 121 South  
Royal street, tomorrow afternoon at 3  
o'clock. He was a member of Columbia  
Typographical Union, No. 30, of Wash-  
ington. Pallbearers selected are as fol-  
lows: Charles W. Mander, Edward  
Hanzman, Edgar Thompson, R. E.  
Knight, Frank Benzler, and Thomas  
Jacobs.

## EASTER'S FLOWERS BEDECK CHURCHES

Display in Anacostia's Religious Institutions Unusually  
Attractive—Special Music and Sermons and Impres-  
sive Ceremonies to Mark Day.

WASHINGTON TIMES BUREAU,  
ANACOSTIA, D. C., APRIL 15.  
The Easter tide will be welcomed in  
Anacostia churches with impressive  
ceremonies, and in each pulpit the les-  
sons of the Resurrection will be ex-  
plained, while musical features, care-  
fully arranged by choir directors, will  
add significance to the services of the  
day.

The floral display that has been pro-  
vided in almost all of the local churches  
is particularly attractive this year. In  
the chapel of the Government Hospital  
for the Insane, for instance, an effort  
has been made to have the services of  
tomorrow afternoon take place amid a  
floral display that will be hardly equalled  
in the city. The hot houses of the in-  
stitution have been drawn upon and an  
exquisite conception, filling the great  
hall, has been the result.

The program of the various denomina-  
tions follow:

this church at the Easter service to-

in a collision with a Capital Traction  
car at Pennsylvania avenue and Fourth
